

Construction Notice

**Lindell Blvd Bicycle and Pedestrian Improvements
City Project No. 17-074
FDOT LAP Project FM No. 441533-1-58-01**

Dear Resident:

The Lindell Boulevard/SW 10th Avenue Improvements Project Team are providing you notice upcoming construction operations and traffic impact:

Starting Monday March 23, 2026 at 8:00 AM, Lindell Blvd will be closed just west of Bobolink Road and just east of Albatross Road for roadway reconstruction adjacent to the new traffic calming speed tables. This closure will last day and night through Thursday March 26, 2026 at 4:00 PM. During this closure, a marked detour will guide traffic around the closure to help drivers reach their destination. Google Maps, Waze and other travel apps will be updated with this information to assist with alternate routes.

Vehicles travelling EASTBOUND on Lindell Blvd will be redirected through Bobolink Road, Heron Drive and Albatross Road to reconnect with Lindell Blvd.

Vehicles travelling WESTBOUND on Lindell Blvd will be redirected through Albatross Road, Heron Drive and Boblink Road to reconnect with Lindell Blvd.

Portions of Lindell Blvd between the work areas will be accessed through Carl Bolter Drive and Avocet Road. Local driveway accommodation will be provided.

For more information about this project you may visit the website at www.LindellSW10thImprovements.com. Thank you for your patience and understanding as we widen the roadway. Your cooperation for the successful completion of this City improvement project is greatly appreciated.
