Construction Notice

Lindell Boulevard Bicycle and Pedestrian Improvements
City Project No. 17-074
FDOT LAP Project FM No. 441533-1-58-01

Dear Resident:

The Lindell Boulevard/SW 10th Avenue Improvements Project Team is providing you with notices of upcoming construction operations and traffic impact:

Starting Monday, March 30, 2026, at 8:00 AM, Lindell Blvd will be closed just east of Curlew Road for roadway reconstruction adjacent to the new traffic calming speed tables. This closure will last day and night through Tuesday, March 31, 2026, at 4:00 PM. During this time, a marked detour will guide traffic around the closure to help drivers reach their destinations. Google Maps, Waze, and other travel apps will be updated with this information to assist with alternate routes.

Vehicles travelling EASTBOUND on Lindell Boulevard will be redirected through Curlew Road, Heron Drive, and Bobolink Road to reconnect with Lindell Boulevard.

Vehicles travelling WESTBOUND on Lindell Boulevard will be redirected through Bobolink Road, Heron Drive and Curlew Road to reconnect with Lindell Boulevard.

Local driveway accommodation will be provided.

For more information about this project, you may visit the website at www.LindellSW10thImprovements.com. Thank you for your patience and understanding as we widen the roadway. Your cooperation in the successful completion of this City improvement project is greatly appreciated.
